

**CATEGORY** Security Seals and Locks

**PRODUCT NAME** VersaBolt Barrier Seal

**PRODUCT CODE** VERSABOLT

**DESCRIPTION** VersaBolt is classified as high security barrier seals as compliant to ISO 17712. The locking mechanism is embedded in a groove in the metal bush, making the seals stronger and more difficult to tamper with. The barrel is made of high quality ABS Material to withstand impact and reveal evidence of tampering. The barrel and pin are embossed High Security "H". The pin is moulded with high-impact ABS material. The special high resilient ABS material does not break easily but will clearly show evidence of tampering.

**KEY FEATURES**
