

<b>CATEGORY</b>	Secure Holdalls	
<b>PRODUCT NAME</b>	Versapak Food Delivery Carrier	
<b>PRODUCT CODE</b>	FDS2	
<b>DESCRIPTION</b>	Versapak's food delivery transport carrier is used worldwide for the delivery of groceries or meals to the home. This carrier is ideal for couriers on foot or driving vehicles as it is easy to carry with comfort handles and a shoulder strap. Versapak also manufacturer the Food Delivery Backpack for use bicycle or motorcycle couriers. Once closed, it is sealed using one of our tamper evident security seals. If the seal is broken when the carrier reaches its destination the recipient can see that the security has been compromised.
